FRESME is a Saudi enterprise that provides integrated solutions in Enterprise Software, FinTech, ESG, and Technology Services.

We collaborate with organizations to transform their operations, enable financial innovation, and build sustainable business models

The logo for TADBIR is located in the bottom right corner. It features the word "تدير" (TADIBIR) in red Arabic script above the word "TADBIR" in red capital letters. The entire logo is enclosed within a white circle. The background of the slide is a dark teal color with a subtle grid of white dots in the top right and bottom left corners.

Facility Management

Simplify property & facility control

Centralizes property & unit data

Tracks leases, tenants & service vendors

The screenshot displays the 'Tenant Onboarding' interface within the FRESME system. A dark blue sidebar on the left contains the FRESME logo and a menu with items like Home, Accounts, Bankings, Budget Management, Assets Management, Facility Management (expanded), Definitions, Owners Onboarding, Properties, Units, Tenants Onboarding, Transactions, Accounts Payable, Inventory Management, CRM, and Sales AR. The main content area is titled 'Tenant Onboarding' and includes filters for Branch (test by Waqar), Project (test by ijaz), and Store (Main Store). A user profile for 'Admin' is shown in the top right. The central focus is the 'Add New Tenant' form, which contains fields for First Name, Middle Name, Last Name, Gender (with a 'This field is required' error), Marital Status, Date Of Birth, Phone Number, Email, Nationality, ID/Passport, IqamaNumber, Country, State, City, Postal Code, and Street Address. A profile picture upload section with a blue person icon and an 'Upload Picture' button is also present. In the background, a table with columns 'Verified' and 'Actions' is partially visible. A green callout box on the right side of the image contains the text 'Facility Management'.
